

# NEW BEGINNINGS

FALL 2020

ISSUE NO. 3

## THANK YOU

I may have shared with some of you, but I wanted to make sure and let everyone know how amazing you were for our first Virtual Walk For Life this year. We almost doubled what we have raised in past years, thanks to you!! Your donations and sponsorships totalled over \$9300 for our wonderful pregnancy center.

\$9300 = 7500 pregnancy tests

\$9300 = 23,200 ultrasound pictures

\$9300 = 2 1/2 years of utility bills

\$9300 = 2 1/2 months lease

I sometimes wonder if you know the tremendous impact your financial support has on our community, on the people that come here for services and even the impact your contributions have on our staff.

Being a 100% privately funded non profit, I can never stress enough when I say, ***we can't do this without you.***

Coming up in October is our fall Gala, which is our largest fundraising event of the year. We create our annual budget based on the success of our Fall Gala.

Thank you for being a faithful Shareholder in the Pregnancy & Family Resource Center.

Donate today with the enclosed envelope or at [pregnancyfamily.org](http://pregnancyfamily.org).

## HELPING HANDS

I tell you the truth, when you did it to one of the least of these my brothers and sisters, you were doing it to me!

Matthew 25:40

I'm sure you are aware of the devastation left in Texas and Louisiana from hurricane Laura. We were approached by an amazing team going down there with essential supplies. They asked if we could spare diapers, wipes and anything else.

I said YES. We were able to fill a van with all sizes of diapers, wipes, formula, blankets, toilet paper and pedia-sure shakes.

No, it didn't leave our supply short at all. As soon as we loaded the van for our Southern brothers and sisters we had an offer to replace all that we gave to those in greater need!

## DIRECTORS DESK

I recently heard part of a message from Greg Laurie. He was teaching on changing our world (so fitting for our current times). The part that I heard that really pricked my ears was him asking are you a thermostat or a thermometer. This really intrigued me. I love anything that challenges me and makes me examine my servanthood.

A thermometer measures the circumstances around it, where a thermostat initiates change to it's surroundings.

I think there are times when it's appropriate to be a thermometer and assess the surroundings. It's ok to be still and listen, but when we are urged to move or make changes we must go from thermometer to thermostat out of obedience.

I haven't always been a thermostat, I'm pretty sure that the first half of my life I was just measuring my circumstances, but when God called me to make changes to the circumstances around me I jumped at the opportunity.

Are you being a thermometer or an thermostat? Is God calling you to change? Read Hebrews 11 and see.

*In Him,  
Kathleen*

## EVERYONE DESERVES A BIRTHDAY

*Friday October 23  
Online Gala  
Annual Fundraiser*

*Details Coming Soon  
Looking for Watch  
Party Hosts*

*Did you know that studies show that most people feel more loved when recognized on their birthday? I get more recognition on my birthday now thanks to Facebook. There's a part of me that thinks it's cool, but man do I love it when my husband, kids, parents and dear friends call me or drop me a personal text.*

*Everyone deserves BIRTHday recognition even and especially those that come into this world "unplanned" or "unexpected" but that doesn't mean Un-Loved by any means.*

*With that in mind, we are having our first ever online Gala Fundraiser. As the saying goes, *Improvise, Adapt and Overcome!**

*We are looking for "Hosts" to have Watch Parties, basically you pledge to invite friends, family and others to your house to watch our Gala. With that pledge we will be providing you with a Party Pack for you and your guests to enjoy (Yes, birthday cake included).*

*More details and information will be coming soon, but first we would ask that you pray about who you can invite to watch this event and who you would like to share our ministry with.*

*Remember everyone deserves a BIRTHday. Your support ensures many more BIRTHdays.*
